Prizes will be given away every week. The last and best prize is a sewing machine.

### Cutting Affray.

Archie McLellan is suffering from a painful knife wound in the region of the heart which he received while in a difficulty with Jim and Gus Alford and Elbert Brown Monday night about 7 o'clock. McLellan was drinking and got into a difficulty with Jim Alford. Gas Alford interfered and was knocked down by McLellan. Mr. Brown alleges that he was acting as peacemaker and had a knife in his hand with which he had been whittling. When he interfered McLellan threw him and fell upon the knife, inflicting the wound in the left side. McLellan lives across the river and is a thrifty, industrious farmer. His wound is not considered dangerous unless complications should arise. He was able to be taken home Tuesday. The Messrs. Alford corroborate Mr. Brown's statement that the cutting was accidental, although Mr. McLellan alleges that it was intentional. It is not likely that the case will be carried to the courts.
